Setting Up: We welcome you to arrive 15 minutes early if you would like to add some small decorations to your table or space. Please arrange this in advance with your function coordinator. In line with Stowaway's ethos, no single-use plastics (e.g., confetti, balloons, plastic straws) are allowed. Any electric party supplies that light up must not interfere with the ambiance of the venue.

You are more than welcome to bring your own cake; we do charge a cakeage fee, which is \$1.50 per head.

Your Space: Function bookings are usually for a 3-hour time slot; you may be required to vacate the table after the agreed-upon timeframe to allow other guests to enjoy the space.

While we always strive to provide the best location for booking, we may not always be able to meet specific requests regarding the location within our venue. Stowaway does not close to the public during our normal operating hours. You are more than welcome to stay in the venue after your 3 hours if we can accommodate you; speak to the manager on the night regarding this. Please note that unused tables may be used for other guests of Stowaway.

RSA & Drink Packages: All drink packages are subject to RSA regulations. If a member of your party appears to be intoxicated, aggressive, or a disturbance to other guests, they will be asked to vacate. If a member of your party has been instructed to slow down/hydrate/take a break and continues to consume alcohol, they will be asked to leave. We never serve shots/shooters or quickly to be consumed drinks as a house rule. Stowaway has zero tolerance for drug use. Drink packages are for two hours only, which means no 'double parking' near the end of the timeframe with the intention of carrying the drinks package beyond the permitted time. Drink packages start at the time of the booking, not the time of arrival; please ensure your guests arrive on time to allow the best value from our offering.

Minimum spends are \$55 per head and increase to \$75 per person if the booking falls between 6 pm and 9 pm on Friday or Saturday nights and all public holidays. This figure is calculated from our average spend in-house. Please note, this is a minimum spend for the booking timeframe, not an open bar tab to be used at leisure. Bar tabs will need to be settled by the organizer before leaving the venue.

Dietaries: Please inform us ahead of time if any guests have food allergies or intolerances so our kitchen has time to order and prepare appropriate food for all guests. We cater for most dietary requirements. While all reasonable efforts are taken to accommodate dietary needs, we cannot always guarantee that our food will be allergen-free. Stowaway does not carry an EpiPen; persons with allergies that may induce anaphylaxis are expected to have their own.

Children & Wheelchair Accessibility: Access for strollers & wheelchairs is from Moore Lane; take the path that runs beside the onramp to our rooftop parking, you may enter through Marilyn's Pizzeria. While the access to our bathrooms is flat, we do not have any ambulant cubicles. Children are permitted in the venue; however, we would prefer Stowaway to be child-free (under 18) after 8 pm.

Payment: For all bookings, we require a \$100 deposit paid in advance, either in person or over the phone. The remaining balance needs to be paid in full at the end of the booking; we do not offer split payments for this.

Cancellation: We require cancellation at least 7 days before the planned event for a full refund of your deposit. This is to cover the costs of goods that may have been ordered, the loss of flexibility with other bookings trying to use the space, and the time spent organizing your occasion. If the booking is canceled due to a reasonable unforeseen circumstance from either party, a full refund of your deposit will be made.

Lost Property: While best efforts will be made to find and return lost property by Stowaway's management team, it is essential to note that the venue assumes no responsibility for any lost property. Attendees are advised to exercise caution and keep personal belongings secure. The venue and its staff will not be held accountable for the loss or damage of any items brought onto the premises. Guests are encouraged to take necessary precautions to safeguard their possessions, and any lost property inquiries should be directed to the event organisers or appropriate authorities. We will notify the event organiser of any property deemed to be valuable found in the venue.

The person organising or making the booking is responsible for communicating all information, rules, requirements, and requests outlined in this document to the attending guests. Stowaway Freshwater PTY LTD and its employees shall not be held responsible for any costs, incidentals, or expenses arising from misunderstandings or failure to meet the terms of your event.
